A SAD FATE

Mr. Alex Brown, the Drummer, Fatally Injured by a Car.

HIS VEHICLE STRUCK.

One Limb Cut Off and a Foot Amputated as a Result of the Mishap.

WAS FORMERLY A LEGISLATOR.

Mr. Alex C. Brown, a drummer for the Tonnent Shoe company, of St. Louis, was fatally injured in an accident near Third and Washington streets last night about 9 o'clock. He was returning from the county in a drummer's hack en route to his home at Third and Madison streets, when a street car struck the vehicle and threw him to the street.

Motorman H. Pearson stopped the car as soon as possible, but the wheels had mangled Mr. Brown's lower limbs before the car could be brought to a standstill. He was taken home in an ambulance and it was found that the amputation of the right leg at the calf, and the left foot, was necessary.

Drs. Brooks, Robertson, Rivers and Sanders performed the operation, which he stood well. He never rallied from the shock, however, and early in the morning began sinking. Ochsenschlaeger was not hurt, with the exception of a few bruises.

The particulars of the accident, as given into the office of the Paducah Street Railway by Motorman Pearson and other witnesses are that the vehicle was being driven towards Broadway on Third, when the car approached from the rear. The hack was at a safe distance from the track, but as the car was slowing up for the crossing, and while only about twelve or fifteen feet behind the vehicle, the horse suddenly veered over towards the track, the car struck the vehicle's front wheels and knocked the vehicle around, righting it. The vehicle was not turned over, and Ochsenschlaeger was not thrown out, but remained in his seat. He was heard to say that his lines became caught in the harness saddle.

Mr. Brown was not so fortunate, but was thrown in such a manner that his feet were run over by the wheels. The vehicle belonged to Mike Iseman, and was not damaged much.

The car went several feet beyond the wagon after the latter was struck.

Mr. Brown was born across the division line in Mississippi, several miles from Memphis sixty years ago. He had been a resident of Paducah the greater portion of his life and was at one time in business with Joe Hart, the firm name being Joe Hart and Co. He has followed commercial traveling most of his life, however, and is one of the best known salesmen on the road. He had traveled the states through and through and had friends all over the country who will regret to learn of the accident. Mrs. Mary T. Jones of Metropolis, who is now in the city, is his only surviving sister and besides her he leaves three daughters, Misses Mayme Brown, and Brownie Brown, of the city and Mrs. B. Cox of Texas. Miss Mayme Brown is now in Texas visiting her sister but both have been telegraphed and will arrive at the earliest possible date.

Mr. Brown was a member of the legislature from Fulton and Hickman counties two years ago. He had a brother here several years ago who was a minister of the Christian church, and both were well known in this section of the country.

At press time Mr. Brown was slowly sinking and it was not thought could survive the day.

INSURRECTION SERIOUS.

HEAVY REINFORCEMENTS TO BE SENT TO SAMAR.

Washington, Oct. 22.—Admiral Rogers cables that the insurrection at Samar, Philippine Islands, is now serious, and heavy reinforcements will be sent. Five hundred soldiers at Fort Thomas, Ky., have been ordered sent at once to the Philippines.

SAID HE HAD BEEN ROBBED.

A man by the name of Patterson of Dawson Springs, came to the city yesterday afternoon with his mouth badly bruised and cut and said that he had been knocked down in Dawson yesterday morning at 2 o'clock and robbed of a check for \$50 and \$30 in cash. Mr. Patterson was directed to a physician who dressed the wound and he will probably return home today. The payment of the check was stopped by a telephone message to the bank on which the check was written, but the \$30 was not recovered.

There was a woman once who never said: "I told you so." Once!

WILD AND WOOLLY

Thir Yarn of a Panther Fight From Pope County.

One Young Man Was Killed and Another Badly Wounded by the Beast.

THEY MET BY CHANCE

A Former Sheriff and His Son Attack Others and Are Slain.

FAMILY TROUBLES THE CAUSE.

Metropolis, Ill., Oct. 22.—One of the most terrible and astonishing results of the attack of a wild animal right in the center of a civilized community comes from near Glendale in Pope county.

To Geo. W. Young, of this city, was indebted for the account of the following terrible story, he having as his authority the word of Dr. Blanchard, of Oreal Springs.

Some time Friday or Saturday a young man about 21 years of age while out hunting in the woods near Glendale, Pope county, was suddenly attacked by a panther which, it is supposed, had crouched in a tree above and after a brief struggle killed.

With the young man was another companion who did not happen to be near at that moment and could render no assistance. A few moments later when he came upon the spot he was horrified to see the savage beast crouching over the dead form of his companion and tearing at his mangled and bleeding flesh, a large portion of which it had already eaten.

When the animal saw him it immediately sprang at him and a desperate fight followed. By some means he was fortunate enough to get out a large, heavy knife, and with it stabbed and fought the ferocious foe until it was routed and with a savage scream turned and fled into the woods.

Wounded and bleeding he managed to call the assistance of some farmers near by and the mangled remains of his companion were taken home and prepared for burial. We have been unable to learn his name.

The animal is supposed to have escaped from some show and is perhaps the same one which is reported to have been killing dogs and other animals near Round Knob some weeks ago. The bluffs around Glendale will be scoured by organized bands of hunters until it is found and killed.

MANDAMUS SUIT.

MR. E. W. BERRY WANTS TO GO ON INSTEAD OF THE REGULAR NOMINEE.

There is no "row" among Republicans, Mr. E. W. Berry has filed a mandamus suit to compel County Clerk Charles Graham to place his name under the log cabin as a candidate for magistrate in the Fourth district.

Mr. Berry did not notify the county Republican committee that he was a candidate for the office, and in twenty days after the county convention, as the county committee was instructed to do, candidates were named in the districts where there was only one applicant.

There was only one in the Fourth district, Justice W. H. Hook, and his name was placed on the list as a candidate for that place on the Republican ticket. A day or two later Mr. Berry came to the city and stated that he desired to be a candidate, and was told that he was too late.

The Democrats have encouraged him to file the papers, with a hope of making political capital out of it. The case is set for tomorrow morning at 8 o'clock before Judge Hudson.

Attorney W. M. Reed represents Justice Hook and Attorney L. K. Taylor for the plaintiff.

A PRETTY WINDOW.

ORHLSCHLAEGER & WALKER HAVE ONE THAT IS UNIQUE AND ATTRACTIVE.

One of the most effective and most noticed show windows in the city is that of the Ochsenschlaeger & Walker Drug Co., at Fifth and Broadway. The window contains the products of the Winstead Medicine Co., and the way the goods are arranged and the illustrations are novelties in the line of window dressing. In the center of the window is a large lump of coal, which means that the particular medicine, Laxative Phospho Quinine, is good for the cold. There is also a level laid on top of another figure, which means that the same medicine is on the level with all other medicines for the same ailment. There is also a head with placard attached reading "for the head." The window contains Dr. Winstead's Laxative Phosphate and Laxative Phospho Quinine altogether, and the back of the window is arranged with a background of the medicines. It is one of the best arranged show windows for the most effective display of the goods in the city, and will gain much notice. It was arranged by Mr. Logan Boulware, the window dresser at the Wallerstein Clothing Co.

Some people hate to be happy so much that when they laugh they always have tears in their voices.

BLOODY BATTLE

A Texas Duel Resulted in Two Deaths Yesterday.

THEY MET BY CHANCE

A Former Sheriff and His Son Attack Others and Are Slain.

FAMILY TROUBLES THE CAUSE.

Waco, Tex., Oct. 22.—One of the fiercest duels that has been fought in this section since the famous Brann-Davis tragedy, was enacted yesterday afternoon on Austin avenue, the busiest thoroughfare in the city.

The principals are William Harris, senior and junior, and Dr. J. D. Lovelace and stepson, Z. T. Reynolds. The two former were killed instantly and the others were injured. With their pistols still smoking they walked from the scene of the shooting to the sheriff's office and surrendered. There were twelve shots fired in the battle, ten by Reynolds and Lovelace and two by their victims. The tragedy came up over some family troubles.

All of the parties live at Shepleville, seven miles from the city, and met in the saloon mentioned. After some words the younger Harris grabbed a shotgun that was near and told Lovelace to give up the pistol that he had. Lovelace refused to do this and the two men were quarreling over it. The senior Harris walked up and told the two men not to shoot and pushed them through the screen into the room next to the bar, and young Harris fired both barrels of the gun, neither hitting the two antagonists and one discharge entering the thigh of his father. The gun was knocked up by Lovelace and thus the father was shot.

Immediately after the first shot was fired with the shotgun both Reynolds and Lovelace began firing and killed the younger Harris first. He received two shots in the temple, one in the left side just above the nipple and five in the groin. The senior Harris received a number of shots also. He was shot in the abdomen just below the naval, and in the right side, just above the nipple.

Lovelace and Reynolds are in jail, and have not asked for an examination. The grand jury is in session and will investigate the tragedy at once.

The senior Harris formerly lived in this city, and was sheriff of McClennan county, in which this city is located, for six years. He is one of the best known officers in the state and is one of the very prominent factors in politics of the county. His son was at one time teller in the Provident National bank here, and is now a railroad man.

The parties who did the killing are also men of prominence, and the tragedy was a great sensation in the city. The trouble came up over a family matter. It seems John McLennan, who married a daughter of the deceased Harris, transferred some of his property to Reynolds. He had entered suit to get it back, and the case was called last week in the district court. McLennan was nowhere to be found, and Harris claimed that he had been run out of the country by Lovelace and Reynolds, and this seems to be at the bottom of the trouble. The funeral of the father and son will take place tomorrow.

MARRIAGES AT FULTON.

TWO COUPLES HAVE THE MATRIMONIAL KNOT TIED THERE.

Fulton, Oct. 22.—Mr. Sam Reed of Jackson and Miss Irene Olive of this city were married at the residence of the bride's mother at the corner of Walnut and Norman street, Sunday afternoon. The bride is the beautiful and accomplished daughter of Mrs. Lucy Enhart, who has resided in Fulton only four years. Mr. Reed is employed by the Illinois Central in the capacity of engineer between Cairo and Jackson. Only a few friends of the young couple knew of the impending marriage, and it came as a surprise to many. But very few were present at the ceremony, which was performed by Rev. J. G. Clark of the Methodist church. The happy couple left immediately after the ceremony on the 3:15 train for Jackson, where they will reside. We extend congratulations.

Clarence D. Below and Miss Ola Wade of near Lodgeport, drove to Fulton Sunday afternoon and were married by Esq. R. A. Roberts at his residence in South Fulton. They were accompanied by several young friends. Mr. Below is a prosperous young farmer of that district.

CASE WILL BE FINISHED.

All the Evidence in the Powers Case Will Be In Thursday--The Proceedings.

GEORGETOWN, OCT. 22.—It is now certain that Caleb Powers' trial will be finished by Saturday night. The evidence will all be in by Thursday night, and the arguments will take up Friday and Saturday.

Ex-Secretary Long was on the stand this morning, but there was nothing new.

In his testimony yesterday afternoon Powers said no one ever had his personal key to his office except Leo Davidson, son of Assistant Secretary of State Davidson. He gave Davidson his key to keep while he was away from Frankfort from January 12 to 17. Powers said: "I want to say that there is a possibility that the shots may have been fired from the secretary of state's office. Duplicate keys could have been made. But when Goebel was shot I had the keys to my office in my possession."

Powers denied most emphatically that he had ever conspired with any human being to do violence to Win. Goebel or any other Democratic official.

His cross-examination was conducted by Attorney Campbell. Powers said the military force was to be used only in the event that the Democrats tried to take forcible possession of the public office before the cases of Republican contestants had been decided by the United States supreme court.

Powers denied that there was any plan for the mountain men to capture the train upon which they were to ride. He said Gov. Taylor said he had arranged for the transportation.

SPECIAL TRAIN

The Elks Will Go to Mayfield in a Body.

Train Leaves Eleven and Broadway at 1:30 Friday Afternoon.

The arrangements for the Elks to attend the Mayfield street fair in a body have all been made and they will leave Paducah at 1:30 in the afternoon on Friday on a special train. Any others who desire to attend may go on the train and the Elks will get out tickets and sell them to their friends. There will be a large attendance from Paducah on that day and it is thought that the excursion special will be liberally patronized.

Dean's band, of 24 men, will head the Elks after Mayfield is reached and the local delegation will present a very fine appearance. The train leaves Eleven and Broadway. The band will give a big concert on the grounds or elsewhere if desired and will show the people of Mayfield what a band Paducah has.

SPRAINED A LIMB.

Walter, the small son of Mr. F. F. Hutchinson, of 1378 South Ninth street, jumped off of an embankment where the street was being repaired, yesterday and badly sprained his left knee. He was unable to walk and was carried to his father's residence. Dr. Coyle dressed the limb.

A FINGER CUT OFF.

Tim Mober, a small boy employed at the Paducah Coopers company, got his hand caught in a planer yesterday afternoon had the end of a finger on the right hand taken off. The accident will lay the youngster off duty for several days. Dr. Troutman dressed the injury.

VERY ILL.

IT IS FEARED THAT MR. GEORGE LANGSTAFF CANNOT RECOVER.

Mr. George Langstaff, Sr., is very ill from pneumonia at his home on Broadway near Eighth, and it is feared will not recover. Mr. Langstaff has not been in good health for quite awhile, and his present illness has made his condition very critical. Two trained nurses arrived last night from St. Louis.

Mr. Langstaff is one of Paducah's oldest and best known citizens, and has hundreds of friends who will regret to learn of his condition.

PASTOR GETS A THREATENING LETTER.

REV. OLMSTEAD OF TOWER HILL, SUBJECTED TO INDIGNITY BY UNKNOWN PARTY.

Tower Hill, Ill., Oct. 22.—An unsigned letter addressed to L. W. Dutton and Rev. G. W. Olmstead, trustees and pastor of the Tower Hill M. E. church, was received by them October 18, stating that something should be done with these gentlemen and a match touched to the church. It is supposed to be the work of enemies of Mr. Olmstead, who is a young man, and does not suit some of the members. Rev. Mr. Olmstead was arraigned before Judge Humphrey at Cairo, Ill., October 16, for the supposed illegal use of the mails, and fined \$200. The use by the pastor of the mails was shown to have been in ignorance of the law, and he paid his fine. The postal department will endeavor to ferret out the sender of the anonymous letter threatening to burn the church, and the guilty person will be prosecuted if apprehended.

BELGIAN MINISTER ARRIVES.

LATER IN THE SEASON HE WILL MARRY MISS CLAYTON, KNOWN AS "THE ARKANSAS BELLE."

Washington, Oct. 22.—The new Belgian minister, Count Moncheur, has arrived in Washington from Mexico. Count Moncheur later in the season will marry Miss Clayton, a daughter of our ambassador to Mexico, and who is known as "The Arkansas Belle." Count Moncheur will take apartments at the Albany until the Belgian legation is ready for his reception.

Miss Clayton's mother was formerly a resident of Smithland, Ky., and the daughters are well known in Kentucky, often visiting Louisville, and have entertained Paducah people who have visited in the City of Mexico. They are very popular leaders of society in "the City."

PREACHER EXONERATED.

Fulton, Oct. 22.—Rev. Sullivan, the Baptist minister arrested a few days ago in South Fulton on an ugly charge, has come clear. Mr. Vanehl, who had him arrested, sent word in this morning that he wanted to compromise the matter and let it drop, and an agreement was accordingly reached. It seems by Mr. Vanehl's actions that he was a little hasty in making the charge. Mr. Sullivan's father is here, and the two will leave tonight for Wickliffe.

CASE REVERSED

Ellis M. Headley Must Stand Trial For Alleged Bribery.

DECISION EXPECTED TODAY

The Court Holds That Sustaining the Demurrer Was an Error.

NEW CHAPTER IN THE CASE.

A telegram from Frankfort this afternoon announces that the court of appeals this morning reversed the McCracken circuit court in the case against Ellis M. Headley, charged with attempted bribery. The court holds that the indictment was good and that the action of the lower court in sustaining the demurrer to it was an error, and the case must go to trial. Judges Durrelle and Burnam dissent.

This case was one of the most important on the docket of the McCracken circuit court. In November a year ago, Ellis M. Headley of Louisville, an agent for the honest election league, was arrested on a charge of attempting to bribe Will Baker, who claimed to be one of the Democratic election officers, and when money was given to another young man to be delivered to Baker, it was turned over to the police and Headley was arrested. The charge was attempting to bribe, and when the case was called last April, a demurrer was entered to the indictment on the grounds that there was no offense charged, and Acting Judge Berry sustained the demurrer. An appeal was taken and this was decided by the appellate court today, reversing the action of the lower court. The case will now come up for trial in December.

Headley a few weeks ago filed suits against the police officers who arrested him, and their bondsmen, for \$10,000 damages and against Commonwealth's Attorney Bradshaw for the money he is alleged to have used in the attempt to bribe.

PLANS AFOOT TO ORGANIZE A GRAND LODGE.

Mr. Will H. Farley Leaves as a Delegate to Represent the Paducah Lodge.

Mr. Will H. Farley left today for Georgetown, Ky., as a delegate from Paducah lodge of Elks to a convention of Kentucky Elks to take steps towards establishing a state grand lodge, at which there may be an annual reunion of Kentucky Elks.

The movement has sprung into popularity in many states, and it is certain that Kentucky will have one. There is now only one grand lodge, and that is a national affair, and many Elks in the state do not get to attend it, hence many never get to know each other.

It is hoped to organize the state lodge at once, and it is believed that it will be one.

Mr. Farley is Leading Knight of Paducah lodge, and one of the ablest speakers and hardest workers in it.

Y. M. C. A. WORK

The Religious Institute Last Night Was Very Successful.

FINE SUPPER SERVED

State Secretary Rosevear and Mr. C. C. Stoll, of Louisville, Were Present.

OFFICERS WERE WELL PLEASED

The religious institute at the Y. M. C. A. last night was a success in every way. There was an attendance of about 50 and the religious work in the association was thoroughly discussed. The program heretofore published was carried through and an especially interesting feature of the program, was the use of charts when Mr. Ecott reported on "The Religious Work of the Local Association, Plans and Methods," which made the explanation very clear.

Mr. H. E. Rosevear, state secretary and Mr. C. C. Stoll, of Louisville, both well known and liked here, made fine addresses on the following subjects:

"The Importance of the Religious Work and the Active Members' Relations Thereto."—Mr. Chas. C. Stoll.

"The up-to-date religious work of the Young Men's Christian Association."—Mr. Henry E. Rosevear.

The state convention was also discussed and the enterprise of the Paducah people in securing the same over the invitations and advantages of other cities was highly commended by Mr. Rosevear. Mr. C. C. Stoll is a prominent business man of Louisville, who devotes much of his time to the religious work of the association. He and Mr. Rosevear returned to Louisville last night.

The Christian Endeavor Society of the First Christian church served a delightful supper, which was highly appreciated. Three long tables were attractively arranged in the back parlor. These were adorned with vases of American Beauty roses and beautiful embroidered center pieces, making them as charming and artistic as possible. Mr. David M. Flournoy acted as toastmaster of the evening.

Tonight the business men's class in athletics will meet and a good attendance is looked for.

The classes in bookkeeping and penmanship will also meet tonight.

The program for the state convention will shortly be announced, a meeting of the committee appointed for this purpose, having been called for a near date.
